National Champs Edge SJS Boxers

By BOB STRIEGEL

The San Jose State boxing team's win streak was snapped by the defending national champions of Idaho State College Saturday night by a close 4½ to 3½ outcome in Pocatello, Idaho. It marked the first setback of the season for the Golden Raiders after five convincing wins. Thus, the Pocatello jinx still holds for the San Jose squad. The only loss suffered by the Spartans last year occurred in the Bengals' gymnasium in Pocatello, although San Jose later reversed the verdict in Spartan gym.

The 3½ points for Coach Julie Menendez' crew were scored by 156 pounder, Dick Bender, two forfeit victories, and a draw by lightweight Joe Rodriguez.

The Bengals led by their brilliant NCAA champ, Vic Kobe, who took a decisive edge over SJS' little Bobby Harris, 125-lb., in the first bout of the evening. Kobe's experience was too much for Harris, who was making his third start in inter-

Record Sale Aids Scholarship Fund

Recordings and sheet music of SJS songs "Hail Spartans Hail," "Down from Under," "Praises We Sing" and the "Spartan Fight Song" will be sold tomorrow and Wednesday in the Library Arch by members of Kappa Kappa Gamma sorority and Phi Sigma Kappa fraternity to aid the DeWitt Portal Memorial Scholarship fund.

According to the college Alumni office, the records were recorded by the college a cappella choir and band. They are RCA Victor plat- ters, 78 rpm. All four songs are on one record.

The records will retail for one dollar.

Talks Feature Mutual Student Faculty Woes

The possibility of having student ideas on mutual problems presented to instructors will be suggested tomorrow by Owen Broyles, president of the local chapter of the Assn. of California State College Instructors, in an executive meeting at 3:30 p.m. tomorrow in Room 20.

Broyles said "students and instructors should have some way of talking over common problems, since the students are, in a sense, clients of the instructors." Special problems referred to were the coming semester switch-over and the problem of student eligibility.

"There is a need for the individual instructor to know how the students feel on these particular problems," Broyles added. This will probably be done some way through the Student Council.

"We feel that with all the organizations and committees that have their own ways of handling special problems, the individual instructor's point of view is lost," Broyles said.

The purpose of the meeting is to find out just how the instructors feel on such topics as problems of enrollment limitations or ceilings, the constitutionality of loyalty oath legislation, lay-off rules, functions and activities of the local chapter and other instructional problems.

Voters Cast 900 Ballots; Frosh Polling Is Heaviest

Classrooms for SJS?

New \$1,380,925 Bldg. Wins Budget Priority

A \$1,380,925 classroom building for SJS has been moved to top priority and may be added to the 1954 budget, according to President John T. Wahlquist who telephoned the news to Dean of Students Joe H. West Friday.

Expense breakdown for the building, which has been on the list of "not urgently needed" building projects, is \$1,283,700 for the structure and \$97,225 for equipment.

E. S. Thompson, college business manager, stressed that this meant that the classroom building has been placed in the "urgent" category and has a top priority. It has not as yet been added to the budget.

"We are very optimistic, however," he said. "On the basis of Dr. Wahlquist's message, it seems relatively sure that this will be included in the budget."

The additional money for the classrooms may be added in two ways, Thompson said. "The governor may recommend that it be added to the budget or the Assembly Ways and Means Committee may add it, as they did recently with additional operational money."

"On the basis of present information, we have reason to believe that money for the building will be added to the budget by one of these two ways," Thompson said.

President Wahlquist was to have returned to Sacramento today after a weekend conference with Dean West and Thompson, who were to have worked out a set of reasons for inclusion of the building in the budget.

Dean West disclosed that San Jose State college will receive approximately one-third of the budget for the entire system of state colleges. The total allocation is more than six million dollars, and SJS is slated to receive more than two million dollars.

A library completion and a boiler are already on the "urgent" list for SJS. Thompson is "fairly sure" that these will appear on the outlay budget for the State College buildings when it is released soon.

Paul Sakamoto and Don Fletcher were elected presidents of the junior and sophomore classes in the winter quarter voting Friday in the second largest election of the school year.

Sakamoto won on the second ballot with Phil Trowbridge runner-up. Junior vice president is Patrick Spooner who was victorious on a five vote margin. Joan Nichols won by a comfortable margin over Marilyn Reinstedt for the secretarial post. Colleen Collins was voted in as representative to the Student Council. Norma Affleck is treasurer.

Fletcher won a decisive victory over John Sales. Don Abitante won on a second ballot over runner-up Carol Kennedy. Rosemarie Magnasco holds the post of secretary. Hank Ramp ran away with the votes for sophomore representative to council. Closest to Ramp was Hal Morrow.

Freshman year representative is Celia Cross who had a six vote margin over Joan Ereno. Allan Behr won a close one from Nada Stepovich for council representative for the half year term.

Bob Beth won a decisive victory from Percy Rivers for senior representative. Chuck Bucaria triumphed over Robert Peeks for male junior justice. Mary Ellen Bailey was unopposed for the female junior justice post.

Approximately 900 ballots were cast during voting hours. That figure is slightly less than one seventh of the student body, according to Stan Croonquist, chief justice of the Student Court, who was in charge of the elections.

"The light vote was partially due to the storms which dampened the first two days of campaigning," remarked Croonquist.

The new method at the polls worked extremely well and "waiting was held to a minimum," declared the chief justice.

Freshman class balloting was the heaviest with the sophomores running a close second. Juniors were third and the seniors cast a remarkably light vote.

Newly elected officials will be installed at the next regular meeting of the class councils, possibly today. Junior justices, however, will not take office until the first day of spring quarter.

The sophomore treasurer, who was not elected because of last minute petition cancellation, will be chosen by the sophomore class council. The student appointed must have all the qualifications for the elective office, according to Croonquist.

The treasurer will be installed at the council meeting immediately following his appointment.

According to Croonquist, "Spartan Spears, Spartan Shields and Alpha Phi Omega did an excellent job at the polls."

Posters were to have been removed Friday at 6 p.m. As yet there are no known violations of the poster rules.

State Crisis

SACRAMENTO (UP)—The Senate Finance committee was warned by its chairman Friday that California has reached a "crisis financially" and the committee must cut Gov. Goodwin J. Knight's budget to avoid new or higher taxes.

FRESHMAN CLASS

Plans for the annual "Spring Fling" will be discussed at this afternoon's meeting of the Frosh council at 3:30 o'clock in Morris Dailey auditorium, President Bob Weiss announced.

Four Soph Classes To Sponsor Hop; Dances Prevail

The Castlewood Country Club, on the Old Hearst ranch near Livermore, will be the scene of the Soph Hop on March 5, Don Fletcher, SJS soph president, announced today.

Fletcher was notified of the dance site by Wes McDaniel, president of the Cal Sophomore class. The Soph Hop is jointly sponsored by Mills College, West Contra Costa, University of California and San Jose State College.

The "Stardusters," a dance band from Stanford University, will furnish music for the Hop which will last from 9 p.m. until 1 a.m.

Fletcher said final preparations for the SJS Soph Doll preliminary judging, Feb. 28, will be the main topic of discussion at the Sophomore council meeting this afternoon at 3:30 o'clock in Room 117.

Other topics slated for discussion include the Faculty Show, the new soph constitution, Pictures for La Torre will also be taken.

SENIOR CLASS

Senior banquet and senior ball arrangements will be discussed at the meeting of the Senior council today at 3:30 p.m., according to Bill Hushaw, president.

The senior ball has been scheduled for June 12, Hushaw announced. It will be held at Bay Meadows Turf club.

JUNIOR CLASS

The Junior Prom is to be the main item of discussion at the Junior class council meeting to be held today at 3:30 p.m. in Room 127.

A discussion of bids, tentatively set at \$2.25 for the dance, will head the list.

Brodie Speaks Tuesday A.M.

J. David Brodie, purchasing agent for the city of Palo Alto, will address the governmental purchasing class tomorrow at 9:30 a.m. in Barracks 60.

Jack Holland, associate professor of business, invited anyone interested to attend.

Brodie, recently elected president of the California State, County and Municipal Purchasing Agents Assn., will speak on "Special Problems of the Governmental Buyer."

IA Group Visits Mare Island Yard

Members of the Epsilon Pi Tau, national honorary industrial Arts fraternity, went on a field trip Thursday to Mare Island Naval Shipyard.

The purpose of the field trip, according to Publicity Chairman Bill Lewis, was "to better acquaint interested students with tools, materials, machines and manufacturing processes as applied to the ship building and ship repair industry. It is an industry which demands an enormous amount of these re-

SJS Men Judge High School Meet

Over 25 San Jose State students visited Fremont High School last week to act as judges in a practice county speech meet, according to Dr. Lawrence Mouat, forensics adviser.

Terry Arnold, a graduate student at State, directed the program.

Dr. Mouat explained that students acted as judges and as administrators. He feels that this will prepare them for the Northern California High School Speech Association tournament which will be held at San Jose on March 6.

Forensics team members also sent two teams to Menlo College for a practice tournament Thursday. They were Duane King and Barney Chapman, Bill Tyler and Howard Streifford.

Job Mart

Looking for men interested in a sales career with a company whose offices cover the United States will be representatives of the Burroughs Adding Machine Co. during their on-campus interviews Wednesday.

A requirement for positions with the company is that the employee "must have a definite liking and aptitude for sales work as well as supervisory and management ability." At least one year of accounting must have been included with other business courses.

If you don't make it Wednesday, fellas, you've got another good chance Thursday when representatives of the Fiberglas Corp. will be here selecting men for engineering sales jobs.

The firm offers a nine-month training program in its Santa Clara office and a starting salary of \$350 per month. Engineering and industrial tech majors are the most likely to be interested in this work, according to James Johnson, acting head of the Placement office.

And wonder of wonder... the firm "will welcome employees who plan to go into the service upon graduation, if they are interested in the company." That's what they said.

Tickets Available For Thursday's Business Dinner

Reservations may still be made for the Business Education Dinner which will be held at the De Anza Hotel Thursday at 6:30 p.m.

The meeting is open to all business education majors and other persons interested in teaching commercial subjects. Dr. E. W. Atkinson, business division chairman, announced.

Reservations may be made before Wednesday at the business division office. Tickets are priced at \$2.50.

Dr. William Woodworth, principal of the James Lick High School in San Jose, will speak on business teaching.

SJS Takes Fifth CBA Win; Williams Sinks 25 Points

By GIL CHESTERTON

Coach Walt McPherson is probably still somewhere on cloud number nine today after the way his Spartan cagers completely demolished Santa Clara University, 72-53, Friday night in a CBA tilt before a standing room crowd at Civic auditorium.

The triumphant hoopsters, securing their first victory over the Broncos since they beat them 55-50 in 1951, carried their jubilant coach off the court on their shoulders.

The victory marked San Jose State's fifth consecutive California Basketball Association win and strengthened their hold on third place.

Bronco blond-bomber Kenny Sears took high point honors with

26 markers, mostly on the strength of his 6 ft. 9 in. height, but it was Captain Carroll Williams who stole the show. Mighty Mouse continued to shatter State basketball records with 25 points to boost him to second among the college's all-time scorers. He now has 396 points in 24 games.

No credit should be taken away from the rest of the Spartan cagers because this was a team effort if their ever was one.

Using gravity-defying jump shots Bud Hjelm tallied 16 points, Bob Bondanza followed with 11 and Don "Hooks" Fausset nailed down 10 points. Bob Steinbach with 4, Tor Hansen and Tom Crane with 3 each completed the State scoring parade.

San Jose was never headed at any point during the onslaught. The Spartans avenged two early season 41-39 and 76-47 losses to the league-leaders by running up a 37-27 halftime tally. After that the Broncos were out of it as Williams and Hjelm fired away in the third period, outscoring SC 17-13 after over-running them 21-13 the previous stanza.

Successive buckets by Hjelm, Williams, Fausset and Steinbach for eight straight points in the wild second got rid of any hopes Santa Clara had of obtaining victory.

Hjelm tipped one in with six minutes remaining in the game to give the fired-up Spartans a 65-45 edge, the biggest margin the hometowners enjoyed during the course of the evening.

San Jose broke a team field goal shooting per centage mark of 47.9 set against USF Monday night by hitting on 23 of 42 attempts for a spectacular 54.8 per cent. Santa Clara, fresh from three victories in the Hawaiian islands and being voted the outstanding U.S. team to tour the island, could only manage to find the range on 18 of 61 shots for 29 per cent.

The scrappy Spartans also out-rebounded the lanky visitors from an out-lying area. State collected 42 loose balls, sparked by Fausset with 12 and Hjelm with 11. SC grabbed 31.

John Campbell and Bob Chrisco scored 23 and 22 points respectively, but that wasn't enough as the Santa Clara frosh beat San Josse State in a non-conference tilt, 75-67, in a prelim.

White Nipped In Thriller; Bender Shines

(Continued from page 1)
collegiate boxing.

San Jose's Joe Rodriguez maintained his undefeated record but he had to be content with a draw for the second straight time this season as he battled John Jeager on even terms. Rodriguez was penalized by the referee for hitting and holding in the third round which may have cost the Spartan a victory.

Allan White, San Jose's 139-pounder from Glendale, suffered his first defeat of the year when he was nipped by ISC's freshman Don Axtman. This bout turned out to be the top attraction of the meet as both put on a terrific slugging performance. Axtman came back strong in the final stanza after he was belted around freely in the second round by White.

The Bengals' veteran Russ Lundgren pounded out a decision over Johnny Freitas, the Spartans' welterweight from San Leandro.

Dick Bender, Spartan explosive puncher, started on his winning ways again by outpointing L. G. Neal in the 156-lb. event. Bender, appearing much the stronger, was the aggressor and had the Bengal in trouble several times.

Going into the last bout of the evening with the score all knotted up at 3½-3½, Idaho State's highly rated heavyweight, Mike McMurtry outclassed San Jose sophomore Dave Fanner, which gave the Bengals of Coach Dubby Holt the dual-meet triumph.

The Bengals did not have representation in the middleweight and light heavyweight divisions, and San Jose's Tom Stern and Danny Hayes were awarded the bouts by forfeit. The Spartans' lightweight, Vic Harris, engaged in a no-decision contest with ISC's Richard Hernandez.

The Spartan glovemen are slated for two dual meets this week. On Thursday night they will face the University of California Golden Bears in Berkeley, which marks the first time since the war that Coach Eddie Nemir's squad has landed on the SJS schedule. The Menendezmen will make their last home stand Saturday night when they stage a return match with Cal Poly.

SJS Wrestlers Place Second In Tourney

The San Jose State wrestling squad grappled its way to a pair of second places and a third spot Saturday afternoon to gain runnerup position in the Pacific Athletic Association mat tournament at the San Francisco YMCA.

The Spartans were topped by the San Francisco Olympic Club for the second straight year.

Pacific Coast collegiate king Dick Francis made his first start of the year under Olympic rules and was awarded third place in the 177-lb. class after dropping two split decisions, one to Jim Connors of the OC and another to NCAA finalists Frank Marx of the Berkeley YMCA.

THE LOGIC MAJOR WHO HATED ROLLS

Recently a young mid-westerner enrolled at a university as a Logic major. His father had told him, with some understatement, that he was illogical. He refused to squire a pretty girl to a dance because her name was June Betz and he was against gambling.

He wouldn't eat avocados because they were also called "alligator pears" and he didn't like alligators. In addition, he was a slob.

Some of the men in his dorm tried to talk to him.

"Look at that shirt," they said. "The material's cheesy. Why don't you hop down and get a Van Heusen Oxfordian... it's soft, fine oxford cloth."

"I'm not attending Oxford. I'm attending Old Siwash," answered our boy.

"But, look, Buster. This oxford cloth is woven tighter so it'll last longer. It's a smart investment. And it only costs \$4.50."

"So who needs it? I might get hit by a truck. Then what good would it be?" quoth Buster.

"What about your collar? Flat as a pancake! Don't you want a good-looking button-down with that famous Van Heusen relaxed-roll?" one asked.

"I got nothing against pancakes. I hate rolls."

Note: Our man flunked Logic post haste, and was drafted. The Army has him classified under "Secret Weapons."

The Engineering Building dedication is slated for Thursday with a full program and laboratory demonstrations planned for the event.

President John T. Wahlquist will preside over the ceremony. Speakers include Frederick E. Terman, dean of engineering at Stanford University; John Boyce, chief engineer of the Canning Machinery Division of the Food Machinery and Chemical Corporation; George L. Sullivan, past-president of the State Board of Registration for Civil and Professional Engineers.

Also on the program will be Lee W. Ruth, member of the Board of Directors of the California Society of Professional Engineers; Ralph J. Smith, head of the San Jose State College Engineering department; and Jack Furey, president of the San Jose State Engineering Society. Pastor James H. Strayer of the Calvary Methodist Church will give the dedicatory prayer.

Plan SF Macy's Store Inspection

Persons interested in department store merchandising, advertising and personnel techniques are eligible to attend a tour of Macy's in San Francisco Mar. 2, according to Dr. M. D. Wright, professor of business.

The tour will include a complete behind-the-scenes view of the Macy's operation followed by a discussion of management problems by store executives.

Anyone wishing to attend should contact Dr. Wright or John Aberle, assistant professor of business, to sign up.

Non-Art Show Has Variety

Anything can be seen at the Non-Art Faculty Show—from dogs to airplanes to Mexican village scenes.

The 35 exhibited pictures vary as much in subject matter as they do in style and mediums used, according to Warren Faus, publicity director for the show.

Twelve non-art faculty members have entered work in this year's show, he added. Paintings will be on display in the Reserve Book Room until March 15.

"This display," said Faus, "is never judged. It's merely a chance for amateur painters to show their work without fear of criticism."

Styles and subjects of the pictures will help even the novice art critic to pick out the different painters, he stated. For instance, R. B. Campi specializes in planes while all of Lillian Gray's paintings show Mexican village life.

Other artists include Orrin Weber, E. A. Dionne, Claude Settles, James Casey, D. Joyce Bolton.

The largest glacier in Colorado, the mile-square Arapaho ice sheet, is the water reservoir for the city of Boulder, which owns exclusive rights to the ice.
